

Fort DuPont Redevelopment and Preservation Corporation Board of Directors Meeting

March 8, 2023 8:30 a.m.
Delaware City Fire Hall
815 5th Street
Delaware City DE 19706

AGENDA

- 1. Call to Order
- 2. Roll Call
- 3. Approval of Minutes
 - a. February 1, 2023
 - b. February 8, 2023
- 4. Treasurer's Report
- 5. Executive Director's Report
- 6. New Business
 - a. Delaware Alliance for Non-profit Advancement (DANA) Introduction to the Strategic Planning Process
 - b. Staff Briefing on Branch Canal Ownership
- 7. Delaware City updates
- 8. Public comment
- 9. Executive Session (if necessary)
- 10. Actions to be voted upon from Executive Session (if applicable)
- 11. Next meeting date: April 12, 2023 at 8:30 a.m.
- 12. Adjourn

Please note: Pursuant to 29 Del. C 10004(e)(2), this Agenda may be changed to include additional items including executive sessions or to delete items that arise at the time of the meeting.

Potential executive session pursuant to 29 Del. C. 10004(b)(9) ("Personnel matters in which the names, competency and abilities of individuals employees...are discussed.")

Potential executive session pursuant to 29 Del. C. 10004(b)(2) ("discussions regarding sales or leases of real property) and 29 Del C. 10004 (b)(6) (discussion of the content of documents, excluded from the definition of "public record," where such discussion may disclose the contents of such documents).

Potential executive session pursuant to 29 Del. C. 1004 (b)(4) ("Strategy sessions, including those involving legal advice or opinion from an attorney-at-law...") and 29 Del. C. 10004(b)(6) (discussion of the contents of documents, excluded from the definition of "public record," where such discussion may disclose the contents of such documents.

FORT DUPONT REDEVELOPMENT AND PRESERVATION CORPORATION SPECIAL BOARD OF DIRECTORS MEETING

The Fort Dupont Redevelopment and Preservation Corporation Board of Directors held a special meeting on February 1, 2023 via Zoom with an anchor location at the Fort DuPont Redevelopment and Preservation Corporation's office at 260 Old Elm Avenue, Delaware City, with Chair John McMahon presiding. Board members present were Secretary Shawn Garvin (Department of Natural Resources and Environmental Control (DNREC)), Ms. Ruth Ann Jones (Controller General of the State of Delaware), Dr. Courtney Stewart (Office of Management and Budget), Mr. David Edgell (Office of State Planning Coordination), Mr. David Baylor (Delaware City Manager), Mr. Kevin Whitaker (Resident of Delaware City), Senator Spiros Mantzavinos (Capital Improvements Committee), Mr. Michael Graci (Resident of Fort DuPont), Mr. Doug Eriksen (Resident of Delaware City), and Ms. Wendy Rogers (Resident of Fort DuPont). Representative Sean Matthews (Capital Improvements Committee), Mr. Kurt Forman (Delaware Prosperity Partnership) and Mr. Rony Baltazar-Lopez (Department of State) were absent.

Mr. Tim Slavin, Executive Director, was also present.

CALL TO ORDER

Chair McMahon called the Fort DuPont Redevelopment and Preservation Corporation (FDRPC) Board of Directors special meeting to order at 8:38 a.m.

RECESS INTO EXECUTIVE SESSION

Mr. Edgell moved to recess into executive session, seconded by Dr. Stewart and unanimously carried. Meeting recessed at 8:39 a.m.

RECONVENE

Mr. Baylor moved to reconvene the FDRPC Board meeting, seconded by Mr. Erikson and unanimously carried. Meeting reconvened at 8:46 a.m.

POTENTIAL ACTION ON SALE OF PROPERTY

Mr. Edgell moved authorize the Fort DuPont Redevelopment and Preservation Corporation's Chair and Executive Director to approve the contract offer on 1303 Officer's Row, in accordance with the Delaware Code and the Corporation's by-laws. The motion was seconded by Mr. Baylor and unanimously carried.

Responding to Mr. Baylor, Mr. Slavin advised that there are currently four (4) improved, unbuilt lots for sale on Officer's Row.

Mr. Baylor moved to authorize the Fort DuPont Redevelopment and Preservation Corporation's Chair and Executive Director, in accordance with the Delaware Code and the Corporation's bylaws, to approve any offer for the four (4) improved, unbuilt lots currently listed for sale on Officer's Row if the offer is within 5% below the listing price. The motion was seconded by Mr. Edgell and unanimously carried.

ADJOURNMENT

Mr. Baylor moved for adjournment, seconded by Dr. Stewart and unanimously carried.

Meeting Adjourned at 8:47 a.m.

FORT DUPONT REDEVELOPMENT AND PRESERVATION CORPORATION BOARD OF DIRECTORS MEETING

The Fort Dupont Redevelopment and Preservation Corporation Board of Directors meeting was held at the Delaware City Fire Hall, 815 5th Street, on February 8, 2023 with Chair John McMahon presiding. Board members present were Mr. Grant Melville (designee of Department of Natural Resources and Environmental Control (DNREC)), Mr. Bert Scoglietti (designee of Controller General of the State of Delaware), Dr. Courtney Stewart (Office of Management and Budget), Mr. David Edgell (Office of State Planning Coordination), Mr. David Baylor (Delaware City Manager), Mr. Kevin Whitaker (Resident of Delaware City), Senator Spiros Mantzavinos (Capital Improvements Committee), Mr. Doug Eriksen (Resident of Delaware City), and Ms. Wendy Rogers (Resident of Fort DuPont). Mr. Kurt Forman (Delaware Prosperity Partnership), Mr. Rony Baltazar-Lopez (Department of State), Representative Sean Matthews (Capital Improvements Committee), and Mr. Michael Graci (Resident of Fort DuPont) were absent.

Staff members present were Mr. Tim Slavin, Executive Director, and Mr. Richard Forsten and Ms. Pam Scott of Saul Ewing Arnstein and Lehr LLP.

Members of the public present were Mr. Jack Guerin and Ms. Erica Lindsey.

CALL TO ORDER

Chair McMahon called the Fort DuPont Redevelopment and Preservation Corporation (FDRPC) Board of Directors meeting to order at 8:31 a.m.

INTRODUCTION OF SENATOR SPIROS MANTZAVINOS

Senator Spiros Mantzavinos of the 7th Senate District introduced himself and briefly provided his background information.

<u>APPROVAL OF MINUTES – DECEMBER 14, 2022</u>

Mr. Whitaker moved for approval of the minutes of December 14, 2022. The motion was seconded by Mr. Erikson and unanimously carried.

TREASURER'S REPORT

Mr. Bert Scoglietti, Treasurer, noted that they were at the seven-month point in the budget and that the report being presented was through December 31, 2022. He suggested that going forward they consider the reports with a 1-month lag in order to provide the reconciled reports for review prior to the meeting. Mr. Scoglietti stated that in consideration of having a brand-new board and executive director in July when the budget was developed, the budget is tracking pretty well. He also noted that the report does not yet reflect any expenditures on the roundabout project. Mr. Scoglietti advised that the General Assembly granted them the flexibility to move money toward the roundabout project. He reviewed the Budget vs. Actuals: FY 2022-2023 – FY23 P&L Report (Exhibit 1) and highlighted the following:

• Page 1 – 4010 – State Appropriations – They received \$2.25M for the year and, as of the end of December, only \$1.5M had been drawn down. An additional \$750,000 was drawn down in January and it will be reflected in the next report.

- Page 1 4100 Rental Income The income from the units has not changed since November and, due to the contract with the management firm, the payments will be received on a lag. The budget will reflect a shortage due to the lag moving forward.
- Page 1 4200 Real Estate Sales Contemplates one sale on Officer's Row for \$120,000 in revenue.
- Page 1 4500 Historic Tax Credits Once the duplexes are completed, certificates of occupancy are issued, and they are settled, the properties will be eligible for consideration for Historic Tax Credits in the amount of approximately \$185,000.
- Page 1 4800 Bank Loans \$431,964.43 represents the amount that has been drawn down from Applied Bank, the financier for the duplexes. There is an increase of approximately \$65,000 since the November report.
- Page 2 6505 Professional Fees Engineering This category shows some divergence in what is being spent and what was anticipated in July when the budget was set. For example, not much has been spent on the marina and there are unanticipated expenditures for the bike path. The total for this category is tracking behind budget.
- Page 2 6520R Professional Fees Legal This amount is up mainly due to back billing, noting that the Corporation requested to be current with the billing.
- Page 3 6716 Canal District 6716.30 Roads/Utilities \$139,000 in unbudgeted actual was an opportunity to cap the roads in the Canal District and Officer's Row.
- Page 3 6738 Duplexes in OBL Buildings 26 and 27 are being renovated and the expenditures should slow down as the project nears completion.
- Page 4 7105 Lawn Care This line item is up \$40,000 since the November.
- Page 4 7125 Snow & Ice Removal The winter has been mild; however, this number could spike if there are significant snowfalls.
- Page 5 7740 Salaries & Wages This line item is tracking well.
- Page 5 7850 Insurance Consideration is being given to re-casting some of the policies to obtain better rates.

Dr. Stewart moved for acceptance of the Treasurer's Report. The motion was seconded by Mr. Whitaker and unanimously carried.

EXECUTIVE DIRECTOR'S REPORT

Mr. Slavin reviewed the Executive Director's Monthly Report for the period January 1 to January 31, 2023, noting the following:

- Entranceway Mr. Slavin encouraged everyone to visit the entranceway site to see the progress to date. The project is on day 40 of a 90-day project and they are in front of schedule. A-Del has done a fantastic job of maintaining a safe, professional, and clean site. They have communicated very well, which the Corporation has been able to pass on to the community.
- Branch Canal Revetment This project is in the design and financing stage to rebuild the bank on the southern side of the Branch Canal to prevent further erosion. FDRPC has submitted a grant proposal to the Federal Emergency Management Agency (FEMA) for funding of the Branch Canal Revetment project. The total project costs are estimated to be \$866,320. The FEMA grant provides a 90% reimbursement rate for approved projects.

 Branch Canal Ownership – Proposed transfer of owners from U.S. Army Corps of Engineers (USACE). USACE was granted authority by Congress to transfer ownership of these two parcels, with the North Branch Canal Area Transfer eligible for transfer of ownership to FDRPC and the Fifth Street Bridge eligible for transfer to DelDOT.

DelDOT has asked FDRPC to address all future development plans and potential issues that the FDRPC has for the North Branch Canal Area. Staff will prepare a briefing for the Board in March and perhaps April with a decision being made in May or June.

FDRPC retains the right to not carry out the transfer of property. Additionally, the transfer of property must also have the approval of the Governor.

- Marina Village This is the next residential phase of 130 townhomes being built on the eastern
 portion of the campus. The Special Use permit for the Marina Village project was returned to
 Delaware City Council with the unanimous recommendation of the Delaware City Planning
 Commission. City Council heard the matter on January 23, 2023 and voted to defer the issue to
 the February 20, 2023 meeting. The Special Use permit will allow them to move forward with the
 formal planning process.
- DNREC Archives Building, DNREC Maintenance Shop, and Old Battery Lane Duplexes These
 projects are awaiting DNREC permitting to be completed.
- Post Theater There has been a lot of community interest in the Post Theater, which is in fairly good condition. It currently seats 300; however, modernization will shrink the capacity.

The Tybee Theater in Georgia is the very same architectural design as the Post Theater and has been restored. Mr. Slavin and Mr. Graci met via Zoom with Mr. Evan Goetz of the Tybee Theater to discuss how they got their theater restored and a part of the community. An offer was extended to Mr. Goetz and to the organization to provide assistance to the FDRPC with the Post Theater.

• Community Engagement

- o FDRPC will host a community update meeting for the public on February 15, 2023 at 6:30 p.m. in the Delaware City Fire Hall. Mr. Slavin thanked Ms. Rogers and Mr. Graci for their assistance in developing a list of topics.
- o FDRPC will host a Parks and Recreation Amenities workshop on February 22-23, 2023 with the Hitchcock Design Group. Hitchcock Design was previously contracted with to begin to identify possible alternatives for public spaces on the Fort DuPont campus. A conceptual study was developed to show possible recreational functions; however, there was no input from the community. The workshops will begin the process of collecting ideas and developing a working group to shepherd the project through the design phase.
- Real Estate FDRPC accepted an offer to sell the property at 1303 Officers Row; however, the offer has been withdrawn. FDRPC has four additional improved lots for sale on Officers Row, with each listed at \$125,000.

- Deputy Director Search First round interviews were scheduled for the position of Deputy Director/Controller. Two of the three candidates withdrew their names prior to the interviews. Given the small pool of candidates, a new search was opened with the services of a recruitment firm (Placers) and indeed.com. A new pool of seventeen (17) candidates has been vetted with the Executive Committee (Tim Slavin, Wendy Rogers, and Dave Baylor) and nine (9) of those candidates will be extended interviews for February 16th and 17th. The interviews will either proceed to a second round of interviews and/or a short list. In accordance with HB 355, this hiring is mandated and requires the approval of the Board of Directors.
- FOIA Officer Ms. Traci McDowell has agreed to serve as FDRPC's Freedom of Information Act (FOIA) Officer. Ms. McDowell will oversee compliance with all meeting notices and minutes, as well as FOIA requests for material. All FOIA requests are being received at a new email address of FOIA_Officer@fortdupont.org. Ms. McDowell is a part-time contractor to FDRPC. Dialogue has begun with a company called JustFOIA to provide a cloud based FOIA tracking system with a public facing component.
- Governor's Budget The Governor's Recommended Budget for FY 24 contains level funding of \$2,250,000 for FDRPC. Enhancements to operating funding and line-item capital projects (Theater and Chapel) were requested by FDRCP but not included in the Governor's Recommended Budget.
- Employee Handbook A review of the employee handbook is underway by Excelsior Consulting to bring it up to best practices for consideration and approval by the board. Excelsior was retained through the employee practices liability insurance company and it is offered at a very low cost.
- Strategic Planning The strategic planning process begins with an entrance meeting with the Delaware Alliance for Non-profit Advancement (DANA) on February 16, 2023. DANA will be brought forward at the March board meeting for an introduction to what the process will look like, what the expectations of the board will be, and to communicate public engagement opportunities in the strategic planning process. This is an operations plan for the corporation to define its key values and success measures.

Responding to Dr. Stewart, Mr. Slavin advised that the duplexes on Old Battery Lane were complete except for the porches. He noted that they cannot disturb the ground until they get through the DNREC permitting process. Mr. Slavin noted that NAI Emory Hill has advised that each of the four units will rent for \$2,500 per month.

Mr. Scoglietti asked if the FEMA grant for the Branch Canal Revetment project was on a reimbursement basis or they would provide money up front. Mr. Slavin advised that it was reimbursement and funding would have to be determined.

Mr. Edgell moved for acceptance of the Executive Director's Report. The motion was seconded by Mr. Baylor and unanimously carried.

DELAWARE CITY UPDATES

Mr. David Baylor, City Manager – Delaware City, provided the following updates:

- The special use permit process is underway for the Lennar project and is scheduled to be presented to the Delaware City Mayor and Council in February. The city is taking the steps to ensure that everything is ready to go for the meeting the last Monday of the month.
- Chief Henderson is in the process of developing a plan for street signage for Fort DuPont. He noted that they would be asking three representatives of Fort DuPont to review the plan. Once the plan is approved by Mr. Slavin, a public information session will be scheduled prior to implementation and enforcement.
- Delaware City still has concerns about the future of the Branch Canal and the Mayor and Council will schedule a public forum for discussion. Mr. Baylor reiterated his previous concerns regarding the ownership and management of the canal.

Mr. Edgell moved for acceptance of the Delaware City Updates. The motion was seconded by Mr. Erikson and unanimously carried.

PUBLIC COMMENT

Mr. Jack Guerin of FightDECorruption.com read the following excerpt from a January 10, 2023 DNREC press release regarding Blue Water Development:

After a month-long investigation into reports of illegal wastewater discharge within the Pine Haven Campground Community located near Lincoln in Sussex County, DNREC issued a wastewater violation to property owner Blue Water Development Corporation of Ocean City, Maryland.

The Notice of Violation faulted the company for failure to possess appropriate on-site wastewater and disposal system permits as required by Delaware regulations, and cited violations beginning December 9, 2022 for untreated wastewater surfacing above septic tanks and cesspool disposal areas within the campground.

Mr. Guerin stated that Blue Water is sparking another controversy by bidding to construct an RV campground in a West Virginia state park. Referring to a post on the Morgan County West Virginia website, Mr. Guerin read the following excerpts:

At a pre-bid conference for vendors this week at the Cacapon State Lodge, only one vendor showed up — Blue Water — a developer in the mid-atlantic region with properties that include a number of Jellystone Parks and Kampgrounds of America.

Blue Water is looking to put in up to 250 RV campsites behind the Nature Center at Cacapon. The concrete RV campsites would pave over the 2.2 mile Rock & Roll Trail.

The Rock & Roll Trail was developed with public grants in coordination with state park officials and with hundreds of hours of volunteer labor. Officially opened in 2021, it is the first machine-built and professionally designed trail at Cacapon.

Local residents are concerned not just about the paving over of the recently built bike trail but also how many trees will be cut down, how much runoff there will be, and additional light and noise.

Ms. Erica Lindsey, 905 A Fifth Street, Delaware City, asked if the results of the residential audit were sent to the attorney general's office for investigation and, if so, if it was a formal, written request. She also asked if a response had been received. Responding, Mr. Slavin stated that legal counsel made a formal request; however, a response had not yet been received.

Ms. Lindsey asked if the request had been made to the NPS for the appropriate swap for the Lennar project. Responding, Mr. Slavin stated that the request to trade the protection on the lands would not come from Fort DuPont, it would come from the Department of Natural Resources and Environmental Control (DNREC). He advised that he has asked DNREC to begin the process with the National Park Service; however, he has not received an update.

RECESS INTO EXECUTIVE SESSION

Mr. Baylor moved to recess into executive session, seconded by Mr. Erikson and unanimously carried. Meeting recessed at 9:05 a.m.

RECONVENE

Mr. Baylor moved to reconvene the FDRPC Board meeting, seconded by Mr. Whitaker and unanimously carried. Meeting reconvened at 9:30 a.m.

POTENTIAL ACTION ON PERSONNEL-RELATED ISSUES AND SALE OF REAL ESTATE

Mr. Tim Slavin, FDRPC Executive Director, advised that Senator Mantzavinos recused himself and removed himself from the conversation for one of the executive session matters owing to a potential conflict of interest with his wife's employment and the corporation's insurance coverage.

There was no action to be taken as a result of the executive session.

ADJOURNMENT

Mr. Edgell moved for adjournment, seconded by Mr. Scoglietti and unanimously carried.

Meeting Adjourned at 9:30 a.m.

Tuesday, Feb 07, 2023 04:11:20 AM GMT-8 - Accrual Basis

Executive Director Monthly Report For the period February 1 to February 28, 2023

Our board meeting will be held on March 8, 2023 at 8:30 a.m. at the **Delaware City Fire Hall.** Board packets will be distributed via email (as a pdf attachment).

Capital Projects

Entranceway.

- All concrete work and initial grading is completed. The week of March 6-10 includes final proof roll and grade for paving, hot mix of all roadways and walk path sitewide. Upon conclusion of the paving, remaining items are guardrail installation, lighting installation, signage, and striping. Project is on course to be completed on the original scheduled date of March 20, 2023.
- Delaware City Mayor Paul Johnson held a (zoom) meeting with Senator Nicole Poore, city officials, DelDOT representatives, and FDRPC's civil engineer and executive director to ensure that advance measures are being taken to inform motorists of the new roundabout. DelDOT explained the advance measures to be taken. Additional suggestions included increased signage and reducing the speed limit on the Reedy Point Bridge to 35 mph. Additionally, Sen. Poore supported the request for a radar speed sign for the northbound side of the roundabout.

Branch Canal issues.

 Canal bank revetment project. The grant proposal to FEMA for a 90% reimbursement on the costs of the canal bank revetment is pending a decision by FEMA. Proposed transfer of owners from U.S. Army Corps of Engineers (USACE). Tim Slavin conducted research on the issue of the proposed transfer of ownership of the Branch Canal to FDRPC. This included dialogue with Andrew Dinsmore (Senator Coons staff member), Heather Sachs of the U.S. Army Corps of Engineers, and Tim Konkus, owner of the Delaware City Marina. Additionally, a document library has been pulled together of all of the studies commissioned by FDRPC as part of this issue.

Marina Village.

The Special Use permit for the Marina Village project was deferred until the March 20, 2023 meeting of the Delaware City Council. Tim Slavin requested the delay on the part of FDRPC. Dialogue with city officials identified a total of 32 open issues which are being addressed by FDRPC, Verdantas, and Lennar. The issues were raised by a member of the City Council and the acting City Engineer.

OMB Food Storage Warehouse.

 The food storage warehouse operated by OMB on Wilmington Avenue just east of the Reedy Point Bridge is anticipated to be vacated by 2026. Tim Slavin and Shane Martin were given a tour of the facility by OMB staff.

• Parks and Recreation Amenities

Public design workshop held. FDRPC hosted a two-day public design workshop with Hitchcock Design Group on park and recreation amenities for the Fort DuPont campus. Hitchcock has been under contract with FDRPC since 2021 on this design and had developed a conceptual plan. However, the conceptual plan had little public input and the design was not the result of consensus-building in the community. A working group of 12 people consisting of members of DNREC/State Parks, the FDRPC Board of Directors, and residents of Fort DuPont will help guide the effort. A full workshop was held on the evening of March 22, 2023 at the Delaware City Fire Hall and was attended by 40 people.

Community Engagement

• February 15, 2023. Community update meeting hosted by FDRCP at the Delaware City Fire Hall. A total of 40 members of the public attended. Presentation by the Executive Director was made covering a total of 18 topics related to management of the campus. Meeting was held from 6:30 p.m. to 8:30 p.m.

- February 22, 2023. Public design workshop on parks and recreation amenities. A total of 40 members of the public attended and participated.
- February 23, 2023. Follow-up meeting of the working group for parks and recreation amenities. A total of 12 people participated, including representatives of the Board, DNREC/State Parks, and residents of Fort DuPont.
- February 27, 2023. Clty Council meeting. The Executive Director spoke briefly and asked for Marina Village Special Use Permit to be deferred to the March 2023 meeting.

Operations

- Real estate for sale by FDRPC.
 - The offer to purchase 1303 Officers Row was withdrawn and the home remains actively listed.
- Deputy Director search. Invitations to a first round interview were extended to 9 of the 16 applicants for the position. Six people accepted the invitation and were scheduled to interview, with one withdrawing prior to the interview. The first round interview panel of Wendy Rogers, David Baylor, and the Executive Director agreed with forwarding two names on to a second round interview panel for consideration. That panel will consist of Ruth Ann Jones, Courtney Stewart, John McMahon, Bert Scogletti, and Doug Eriksen. The second round interviews are scheduled for Tuesday March 7, 2023.
- **FOIA Officer.** There were no new FOIA requests since the last Board meeting. All FOIA requests have been responded to and are considered closed.
- Audit. The audit of FDRPC financials for the fiscal year ending June 30, 2022 is continuing with Belfink, Lyons and Shuman.
- A Request for Proposals for lawn cutting services was issued on March 3, 2023. The schedule includes an expected award date of March 31, 2023. The award may be to one or more vendors.
